An elector may file a petition for review of this ballot title in Clatsop County Circuit Court no later than the seventh business day after the title is filed with the County Clerk under ORS 250.195, April 28, 2008. An elector filing a petition with the circuit court must also file written notice of that filing with the Clatsop County Elections Department, 820 Exchange Street, Suite 220, Astoria OR 97103, no later than 5 p.m. the next business day following the day the petition is filed.

CAPTION: APPROVES DECISION BY COUNTY COMMISSION ALLOWING PIPELINES ON PROTECTED LANDS.

QUESTION: SHOULD VOTERS SUPPORT DECISION BY COUNTY COMMISSION ALLOWING PIPELINES ON PARKS, OPEN SPACE AND RECREATION LANDS WITH CONDITIONAL USE PERMITS.

SUMMARY: Clatsop County zoning law previously prohibited pipelines, sewer lines, and cables in areas zoned as open space, parks, and recreational lands. The County Commission recently amended that land use ordinance to allow pipelines, such as one proposed for a Liquid Natural Gas line. This vote would affect sections 5 and 6 of Clatsop County Land and Water Development and Use Ordinance 08-5.

A "yes" vote would support the decision by the majority of the County Commission to allow pipelines in areas including open spaces, parks and recreational lands with a conditional use permit.

A "no" vote would overturn the vote of the majority of the County Commission and prohibit the siting of pipelines in open spaces, parks, and certain other protected areas.
