Yamhill County Democrats Oppose LNG Pipeline Through Yamhill County

McMinnville, OR — March 20, 2009

The Yamhill County Democratic Central Committee passed a resolution on March 19, 2009 finding that the proposed LNG pipelines through Yamhill County serve little public interest and therefore don't justify the use of government's use of eminent domain ability on properties across the county and should be opposed.

The resolution focused on four main areas of concern: (1) excessive impact on property owners, (2) adverse ecological impact, (3) energy impacts of increasing fossil fuel usage and corresponding delays in converting to renewable and (4) safety.

"All of these issues are of concern in Yamhill County as we all join together to to a more sustainable and long-term economic and energy future," said Yamhill County Democrats chair, Will Neuhauser.
